

## **Summer Indigenous Student Internship**

*Landscape Architecture | Architecture | Planning*

PFS Studio is offering a **Summer Indigenous Student Internship** for students currently enrolled in a degree program in **Landscape Architecture, Architecture, or Planning**.

This paid internship typically begins after the academic year ends and runs through to the end of August. As an intern, you'll gain practical experience in a professional design studio environment. We aim to align your internship experience with your individual interests where possible, while also providing exposure to a broad range of work.

### **Typical tasks may include:**

- Creating renderings and models
- Drafting sections and working in AutoCAD
- Participating in project meetings
- Supporting active design projects
- Meeting with PFS's Indigenous Design Lead on a regular basis

You'll also take part in our dynamic office culture, including lunch & learns, social events, and team-building activities that are an integral part of our studio life.

### **Eligibility:**

- Must be currently pursuing a degree in **Landscape Architecture, Architecture, or Planning**
- Preference given to Canadian Indigenous students
- Must be able to work in-person out of our Vancouver or Toronto office.

We are committed to providing a supportive, creative, and inclusive environment where emerging Indigenous designers can thrive and contribute meaningfully to the profession.

**To apply**, please submit your resume, cover letter, and a brief portfolio of work to: [pfs@pfs.bc.ca](mailto:pfs@pfs.bc.ca)
