

# SCARP MCRP Internship

## Goals/Learning Outcomes form

MCRP students in the Internship Program: fill within 20 hours of beginning your internship. Question 4 requires you ask your Internship Supervisor; you will fill in their answer. Download this form, don't fill it in your browser.

### Student information

**YOUR NAME:**

**STUDENT NO:**

**INTERNSHIP PLACEMENT:**

### Planning skills and transferrable skills

1. What planning-specific and technical skills would you like to acquire or improve during your internship? How will you learn, change, or improve them? How will you measure the results, and by what date do you intend to have the results met?

2. What non-technical/interpersonal skills would you like to acquire or improve during your internship? How will you learn, change, or improve them? How will you measure the results, and by what date do you intend to have the results met?

## **SCARP MCRP Internship Goals/Learning Outcomes form (page 2)**

3. What three (or more) transferable skills do you anticipate you will need for your career? How will you attempt to obtain these during your current work term?

### **SCARP Internship Program feedback**

4. What expectations does your internship provider supervisor have for you in regards to your professional and/or personal growth during this internship? *(remember, you're entering your Internship Supervisor's answer)*

Once filled, save this form again and email as an attachement to [grad.scarp@ubc.ca](mailto:grad.scarp@ubc.ca).
