

JEREMY T. STONE

71 W 17th Ave, Vancouver, BC, V5Y1Z5 · Phone: 604.628.1837 · E-mail: Jeremy@recoveryandrelief.org

- Overview**
- Extensive experience in community development, economic development, and disaster recovery.
 - Primary areas of interest include: social vulnerability; gentrification; economic development, Indigenous community planning; economic resilience; recovery planning, municipal oil spills.
 - Significant work in First Nations communities, immigrant communities, and developing countries.
-

- Education**
- Doctor of Philosophy (ABD), Urban Planning, University of British Columbia** **2018**
Research Focus – Urban change, gentrification, social vulnerability, recovery justice.
Dissertation – *The New Louisiana Purchase: Gentrification and Disaster in the Heart of New Orleans*
Dissertation Overview – Community-based participatory study of gentrification in the Central City neighborhood of New Orleans. Uses a multi-media approach (80 qualitative interviews, documentary filming, and community organizing) to understand the impacts of post-disaster recovery planning on increasing gentrification, and to actively influence policy-making and the municipal electoral process.
- Master of Public Administration, New York University** **2006**
Academic Focus – Non-profit management, economic development, community development.
- Bachelor of Arts, Anthropology, Reed College** **1999**
Academic Focus – Cargo cults and the role of religion in economic development in the South Pacific.
-
